

Equipment Rental Program

Rules for the Equipment Rental Program

- The renter assumes full liability and responsibility for damages to, or caused by, the equipment (beyond normal wear and tear) from the time the renter obtains it until it is returned to the fair-grounds or it is picked up. The renter will inspect the equipment and will notify the Monroe Soil and Water Conservation District (SWCD) at (740) 472-5477 as to any problems with the equipment.
- The renter agrees to pay for parts and labor at a rate of \$28.00 per hour (if it can be fixed at the SWCD) or actual cost if it must be sent to a shop to be repaired.
- The renter agrees to grease the equipment before using.
- The renter agrees to use the equipment immediately, weather permitting, and will call the SWCD when finished with the equipment to report the acres (tons) for billing purposes.
- The renter will store the equipment in a dry area when not in use, if possible.
- The renter agrees to remove all material (seed, fertilizer, lime) from the equipment upon com-

pletion. Failure to do so will result in a \$50 fee for cleaning.

- Maximum hauling speed for all equipment (except the Brillion Seeder) is 25 mph.
- Lime spreader can be used for lime only. NO more than 4 ton may be loaded into the hopper at one time. Spreader is not to be used to transport lime on the road.
- Billing terms are “Net due.” If this is not possible, please contact our office to make payment arrangements. Accounts over 120 days will be subject to interest charges at 18% APR.
- Priority in scheduling for the 4-row corn planter will be given to those people planning to plant 10 or more acres.
- Any accounts that have not had any payments made at the 180 day point will be turned over to the prosecutor for collection.
- Any user who has previously been turned over for collection, must be current and will be required to pay a deposit equal to \$50.00 before receiving equipment for use.

The Equipment Rental agreement is now available on our website for printing.

Lime Spreader

Equipment Program

As a result of the Dust Bowl, soil and water conservation districts were formed. The Monroe Soil & Water Conservation District (SWCD) was established in 1943. It was the ninth district to form in the state of Ohio.

The purpose of the SWCD is to encourage landowners and land users to utilize the land in the most beneficial manner.

Because of our commitment to soil conservation, the Monroe Soil and Water Conservation District offers an equipment rental service. This program encourages no-till and reduced till farming in an effort to reduce soil loss and improve fertility.

Since all districts have different equipment for rent (if any at all) we recognize the desire for out of county residents to rent our equipment. The rates for out of county residents will be higher than in county users. Mileage will be charged for delivery and pick up out of the county at a rate of \$.75 per mile. This rate will be calculated from the Monroe County Fairgrounds regardless of where the equipment is picked up at, using Map Quest. Priority will be given to Monroe County Residents. Monroe County residents who own land in an adjacent county may use the equipment on their out of county land at the in county rate.

Equipment	Monroe County Rates	Out of County Rates	Tractor Requirements
Aerway	\$4.00 per acre; \$40 minimum charge	\$5.00 per acre \$50 minimum charge	40-80 hp. Single remote hydraulics
Brillion Seeder	\$7.00 per acre for acres 1-10 \$5.00 per acre over 10 acres \$35 minimum charge	\$8.00 per acre for acres 1-10 \$6.00 per acre over 10 acres \$40 minimum charge	Not listed Single remote hydraulics
Lime Spreader	\$1.50 per ton \$35 minimum charge	\$2.50 per ton \$45 minimum charge	55 hp. 4X4 recommended Single remote hydraulics
No-till Drill	\$8.00 per acre \$35 minimum charge	\$9.00 per acre \$40 minimum charge	55 hp. Single remote hydraulics
2 row corn planter	\$10.00 per acre \$50 minimum charge	\$11.00 per acre \$55 minimum charge	25 hp. Single remote hydraulics
4 row corn planter	\$14.00 per acre 1-10 acres \$12.00 per acre 11-20 acres \$10.00 per acre 21-30 acres \$8.00 per acre 31 acres & up Minimum charge \$70.00	\$15.00 per acre 1-10 acres \$13.00 per acre 11-20 acres \$11.00 per acre 21-30 acres \$9.00 per acre 31 acres & up Minimum charge \$75.00	60 hp. Single remote hydraulics
